When twelve-year-old Colt Humboldts dad drags the two of them from perfectly good Texas to ancient Scotland for a fresh start, Colt knows hes doomed to a summer as the new kid. No friends, no fun, no life as he knows it. Fat chance. That very first night, the peculiar Alesone and her more peculiar little brother Peter crawl out of Colts closet, begging for his help to save their family from a horrible fate. Fortunately, the secret for doing so is hidden inside a mysterious book. Unfortunately, this book demands that our ragged trio first journey across Scotland and capture three treasurestreasures fiercely protected by a shadowy, treacherous world determined to see Colt failpreferably by death. But if Colt and his new friends can survive a horror novel come-to-life, defeat a madman and his minions, win over a disagreeable folklore legend, and discover the shocking reason why Alesone and Peter are just so odd well, the next two treasures wont come so easily.
