This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

G. P. Putnam's Sons, United States, 2015. Hardback. Book Condition: New. 211 x 145 mm. Language: English . Brand New Book. Romeo and Juliet meets Children of the Corn in this one-of-a-kind romantic horror. When you fall in love, you will carve out your heart and throw it into the deepest ocean. You will be all in blood and salt. These are the last words Ash Larkin hears before her mother returns to the spiritual commune she escaped long ago. But when Ash follows her to Quivira, Kansas, something sinister and ancient waits among the rustling cornstalks of this village lost to time. Ash is plagued by memories of her ancestor, Katia, which harken back to the town's history of unrequited love and murder, alchemy and immortality. Charming traditions soon give way to a string of gruesome deaths, and Ash feels drawn to Dane, a forbidden boy with secrets of his own. As the community prepares for a ceremony five hundred years in the making, Ash must fight not only to save her mother, but herself and discover the truth about Quivira before it's too late. Before she's all in blood and salt.
