Random House USA Inc. Paperback / softback. Book Condition: new. BRAND NEW, On the Loose, Tara Janzen, He's a special agent who never loses his cool. She's the heat-seeking missile headed straight for his heart. Keeping cool under pressure is the credo C. Smith Rydell lives by. That's why he was handpicked by the Special Defense Forces for a mission few men survive. So why has the ex-DEA superstar been reassigned to Panama City, playing bodyguard to a blond in a black string bikini? Except Honey York isn't your average pampered socialite. She's the woman Rydell caught smuggling cash into El Salvador four months ago. And now she wants him to take her back. All Honey has to do is find the guerrilla camp, deliver the goods, and get the hell out of the jungle--all in forty-eight hours. Only one man is up for the job. But sharing an unforgettable one-night stand was nothing next to being stranded with Rydell on some third world mountaintop. And with bullets flying and all hell breaking loose, now is not the time for passion. As if these two could possibly resist it.
