

## The Woman Who Censored Churchill (Hardback)

Filesize: 5.47 MB

### ***Reviews***

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*

## THE WOMAN WHO CENSORED CHURCHILL (HARDBACK)

The History Press Ltd, United Kingdom, 2009. Hardback. Book Condition: New. 216 x 138 mm. Language: English . Brand New Book. Ruth Ive will be appearing as part of Jewish Book Week on 1st March 2010 Click here to see details on the Jewish Book Week website During the Second World War, the only way Winston Churchill and his American counterpart Franklin D. Roosevelt could communicate was via a top secret transatlantic telephone link. All other Atlantic telephone cables had been disconnected to prevent the Germans intercepting information. Ruth Ive, then a young stenographer working in the Ministry of Information, had the job of censoring the line, and she spent the rest of the war listening in to the conversations across the Atlantic, ready to cut the line if anything was said that might compromise security. Ruth was sworn to secrecy about her work, and at the end of the war all documentation proving the existence of the telephone line was destroyed. It was not until 1995, when Churchill s private files were finally declassified, that Ruth was able to research her story. Now, for the first time, one of the Second World War s key workers describes the details of her incredible story, and the private conversations of two of the war s most important players can be revealed.
