Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Errors of the Bible Demonstrated by the Truths of Nature: Or Man s Only Infallible Rule of Faith and Practice The author of the following pages has no apology to make for publishing them. His conclusions respecting the origin, authority, and influence of the Bible are the result of long and patient research, and mature observation. Twelve years of his life were spent in an earnest study of that book, in the languages in which it purports to have been written, conscientiously believing that in searching it he should find eternal life. His great desire was to learn from it, if possible, how to perfect himself in all goodness, and bring himself into harmony with the laws of Nature and of Nature s God. He found the Bible to abound in moral precepts as pure as ever came from human lips; and in as stern rebukes of evil-doing, and as earnest appeals to sympathy and conscience, as can be found on the records of this world. The spirit, the teachings and life, of the gentle Jesus, the martyr of Calvary, have, for the most part, ever found an echo in his heart. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
