*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Little, Brown & Company. Hardback. Book Condition: new. BRAND NEW, A Man About a Dog, Harry Pearson, A decade and one dog after penning the bestselling Racing Pigs And Giant Marrows, and inspired by the purchase of his new hound, a petit basset-griffon Vendéen called Little Man, Harry Pearson returns to the world of stalking, ferreting and beating with this ramble through the countryside. Harry Pearson was born into a dog-loving family and grew up with a variety of spaniels, terriers, collies and mongrels. He currently spends several hours every day running along behind a basset-griffon pretending he really intended to go that way himself. Within these pages will be found anecdotes culled from forty-five years of living with dogs, wise observations on canine and human behaviour, historical tales of famous dogs, learned speculations on nature and descriptions of life in the real English countryside - a place where there are otters in the river, glue-sniffers in the woods and fisticuffs over fishing rights.
