Shawna Weber, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What started as updates to family and friends when my daughter was diagnosed with cancer has turned into something bigger and incorporates how our family copes, lives, and laughs. I have always loved writing, but never thought something so tragic would actually turn into an inspiring story. I am a mother, blogger, a motivational speaker. My husband Zach is our rock for keeping things light. Jack is our 7 year old who has had to grow up fast and done so in the most courageous way. Lucy is a Beatle Loving fashion Diva. Lucy and Jack are quite possibly some of the funniest kids I have encountered. Then there is Taco. Taco is our dachsund. He has as much print in this book as anybody and title rights because of what he offers for our family. This book covers the first part of Lucy s treatment with leukemia at St Jude Research Hospital. It talks about her trials, how our family dealt with the changes and tragedy, it offers stories of hope, and helps to educate and spread awareness about child hood cancer. This book is about how a family lives with cancer.
