SHORT TERM SALE 50 OFF RRP Home Poker Pro: How To Run Profitable Professional Home Pub Poker Games On average I make close to \$500 profit every month playing low stake home and pub poker games, the majority made from my own home games, the great thing is you can too. The decision to host my own home games was the best decision I made as its literally having people come to your house and give you money! You might think you just need some chips and some cards and off you go. Well that's exactly how I started and unfortunately I was wrong, however I did find some cool little tricks Its funny how disorganised our home games were until I found out about these cool little tricks to playing the perfect game. It took me a while to find them though, and I want to share them with you. I have years of experience in running home pub poker games, from 4 players all the way to 70 player games, and I decided to write the Ultimate Home Poker Guide, the perfect companion to get you ready to play some profitable home poker games! I wish I had this book when I first started, it would have made everything so much easier! I MAKE...
