## THE MAGICIANS: A NOVEL (MAGICIANS TRILOGY)

Plume, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. Solidly rooted in the traditions of both fantasy and mainstream literary fiction, the novel tips its hat to Oz and Narnia as well to Harry, but don't mistake this for a children's book. Grossman's sensibilities are thoroughly adult, his narrative dark and dangerous and full of twists. Hogwarts was never like this." -George R. R. Martin, bestselling author of A Game of Thrones "The Magicians ought to be required reading for anyone who has ever fallen in love with a fantasy series, or wished that they went to a school for wizards. Lev Grossman has written a terrific, at times almost painfully perceptive novel of the fantastic that brings to mind both Jay McInerney and J. K. Rowling." - Kelly Link, author of Magic for Beginners and Stranger Things Happen "Anyone who grew up reading about magical wardrobes and unicorns and talking trees before graduating to Less Than Zero and The Secret History and Bright Lights, Big City will immediately feel right at home with this smart, beautifully written book by Lev Grossman. The Magicians is fantastic, in all senses of the word. It's strange, fanciful, extravagant, eccentric, and truly remarkable-a great story, masterfully told." -Scott Smith, bestselling author of The Ruins and A Simple Plan "The Magicians is a spellbinding, fast-moving, dark fantasy book for grownups that feels like an instant classic. I read it in a niffin-blue blaze of page turning, enthralled by Grossman's verbal and imaginative wizardry, his complex characters, and, most of all, his superb, brilliant inquiry into the wondrous, dangerous world of magic." -Kate Christensen, PEN/Faulkner award winning author of The...
