Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Public Playground, an Interesting Development in Education This circular is to call the particular attention of the people of California to a great social movement that has spread over our whole country almost in a day, so quickly that we hardly realize it, or understand it - the Playground Movement. This country is so strong, so young, so full of lusty strength, that it has not had as yet much thought of the future. It has never stopped to worry about the kind of human beings who are coming on. It has been so eager in developing its resources, so swift in its pursuit of dollars, so engrossed in spending money, that little thought has been given to preserving the sane and wholesome human life that is necessary to the real prosperity of any land. Opportunity for relaxation and play are necessary, just as food and drink are necessary. Without them, man is a morose, dissatisfied and dangerous demon. Those who own the country now and run it now must give thought and time...
