How far do we go until we ve gone too far, how much of our soul and innocence can we sacrifice in the name of the greater good until there is nothing left to give? The gripping first of a two books series about two young Romanians that are caught up in the midst of widespread death and destruction, forcefully recruited to become automaton assassins carrying death in the name of a regime they despise. The most powerful and ultra-secretive international anti-terrorist coalition saves them, only to throw them into a fierce fight to defend life and liberty against fanatical Islamic terrorism. When they run out of options the last resort seems to be the implementation of a deep cover operative inside the upper echelons of Al Qaeda, a mission as much impossible as it is dangerous. Are they willing to die so that freedom can prevail?.
