

Encore: Internet Learning Models That Enhance the Instrumental Music Curriculum (Paperback)

By Joseph V Palazzola

iUniverse, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Educators must give students the opportunity to practice and experience the new tools of technology and the internet. Instrumental music teachers have a wonderful opportunity to give students experiences that not only further music education, but also broaden learning of the total edification of the student. I cannot over state the importance of all teachers use the technology and internet to not only advance their own courses and disciplines, but they must also create opportunities of using these tools to give the student real life-long tools to function in today's global economy. This brings back to my original belief that since the world is flat again Americans must labor toward keeping our place as the leaders or innovators in this ever changing world economy. Carrying this belief further, our total educational commitment and push must be en route toward giving our children the tools and strategies that will ensure that they are able to learn how to learn. In this spirit, my focus in this book is to introduce models that will enhance student learning so that...
