It is also a family saga set in Sicily where Tony goes searching for his family roots. He drifts into a palazzo with a strange name over the door, the Circle of Conversation, filled with people in disguise. But this is no costume ball. The Circle is a place out of Time, dark and humid, where the ghosts of his ancestors mill about and converse, waiting for Judgment Day among them, a beautiful woman with deep, black eyes that promise love. But the door slams shut behind him, Tony is trapped. His trip to Sicily, meant as a simple voyage of self-discovery, has turned into a nightmare. How can he shake off the past and find himself Reviews: 1. from Sicilian literary critics when the book came out in Italian (published by E.
