SIMON SCHUSTER, United States, 2011. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book. Over the last few decades, the Supreme Court and the federal appellate courts have undergone a dramatic shift to the right, the result of a determined effort by right-wing lawmakers and presidents to reinterpret the Constitution by reshaping the judiciary. Right-wing politicians complain that government is too big and intrusive while at the same time they are only too happy to insert the government into the most intimate aspects of the private lives of citizens when doing so conforms to conservative morality. Conservative activist judges say that the Constitution gives people an inherent right to own firearms but not to make their own medical decisions. In some states it...
