UN ZOOLÓGICO DE PUNTO

Blume, 2014. Encuadernación de tapa dura. Book Condition: Nuevo. 1ª Edición. Restos editoriales. 17 x 21,5 cms. 176 pags. 25 patrones para tejer bonitos animales salvajes: ¡elija su favorito o hágase con su propio parque zoológico! Incluye los animales más populares, como el león, el tigre, el elefante o la jirafa; los favoritos de las autoras, el murciélago, el armadillo y el oso hormiguero, así como los menos adorables, como el camello, el cocodrilo y el mandril, entre otros. Solo con un par de agujas de tejer, hilo y este libro, los animales de los páramos helados del Antártico, de los desiertos de África y del interior remoto de Australia serán suyos. Todos (o casi todos) hemos sentido alguna vez el deseo de tener un animal exótico. Los animales de este zoológico son muy fáciles de cuidar: ni siquiera es necesario adaptar la casa para acoger a la jirafa; el león no necesita cazar animales vivos; tampoco hay que conseguir hojas de eucalipto para el koala ni ampliar el espacio para el elefante. Podrá disfrutar de los animales salvajes sin ninguno de sus inconvenientes. Puede tejer sus propias especies amenazadas y, con algunas cajas, un poco de paja y plástico adhesivo, podrá crear su propio parque zoológico. Incluso puede tejer una pareja de cada animal y crear su arca de Noé personal.
