Not illustrated. 1899 Excerpt: .cogent way he has shown how French literature has grown from the simple, inconsequent works of the early centuries to the great literature of the present, giving special attention to the causes of transition from one period to another. A very complete bibliography of the subjects treated, including authors and their works, forms the foot-notes throughout the text. The illustrations, numbering more than a dozen, are portraits of French writers. Few men have had such opportunities for studying English life of the present century as George W. E. Russell. Enjoying a wide acquaintance with notable people and with elderly men and women who knew the celebrities of the preceding generation, he has been able to go back in his own Manual of the History of French Literature. By Ferdinand Brunetiere. Authorized translation by Ralph Derechef. 596 pp. \$2.00. New York Thomas Y. Crowell Company. and his friends memories to the beginning of the century, and in his Collections and Recollections now presents to the public in book form a fund of interesting information concerning the men and women of the century and the trend of social life. The book is necessarily gossipy and anecdotal, and Mr. Russell understands the difficult art of storytelling. His comparison of the England of to-day with that of 1800 is highly instructive, as well as thoroughly optimistic. The book is a crown octavo, bound in ornamental cloth, with deckle edges and gilt top. Hawaii and a Revolution t is the title...
