Revival Waves of Glory Books Publishing, United States, 2015. Paperback. Book Condition: New. Jenin Natour (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When I started thinking about my poetry book I decided to write about things that I love and enjoy so much. I feel for poems come out right and enjoyable the poet has to be genuine and true about her feelings and what to write about and word must come from the heart. Also the vocabulary and expressions used must reflect a mastery of the language to choose the most suitable words that will be great match perfect for each situation, that is a skill and a gift that God had blessed me with an I am thankful for that. I have also chosen my subjects and situations based on the simple things in life that people enjoy and find it close to their hearts because I believe that when it comes to poetry the simpler the better. I have also written about a range of topics to make it exciting and give the reader the experience and enjoy different situations and reflections, after all variety is the spice of life. Some of the topics that I picked for my reflections and poems were included animals, nature, cultures and values, and faraway places. I am a huge animal lover and you will feel that throughout this book, I spend a lot of my time looking at them, watching animals and wildlife shows, going to zoos and aquariums. The animal world that shares our planet, there is so much beauty and serenity in connection with nature and learn many lessons in struggle, hard work, and motherhood. However, not everything in the animal kingdom is rosy fairy tales of beautiful fur, colorful...
