All while building and empowering your team to take on more responsibilities. Before working with Lynne, we were tired of things always getting started but never finished and people s lack of accountability--not to mention the poor communication habits! We needed help communicating with each other. We wanted to try a different way of dealing with all of the issues at hand. Since working with Lynne, agreements and disagreements are dealt with on a more professional level. Our employees comment on how we, as managers, listen more and make decisions more quickly. As managers, we see improvements and have brought the stress levels down when dealing with everything from employee and money issues to personal issues, including communication in the family and personal health. We really enjoy that working with Lynne MLJ Coaching International actually helps us get away to out-of-town business trips for our workshops and meeting with other business owners with similar business issues and discussing how to resolve them. --Mattina Mechanical Ltd.
