

## Notes on the Breeding Habits of New Zealand Birds (Classic Reprint) (Paperback)

Filesize: 1.52 MB

### Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Notes on the Breeding Habits of New Zealand Birds The settlers of New Zealand, so large a proportion of whom are engaged in rural occupations, which placing them in immediate contact with the works of nature, through observation and study ripening into confidential intercourse, will, doubtless, feel deeply indebted to Mr. Buller for his valuable Essay on our Birds, which most interesting division of our Fauna exhibits a notable exception to the comparative dearth of animal life in these islands. When we consider, that from the absence of almost every variety of game, we are barred the enjoyment of those sporting instincts and habits, which are characteristic of our countrymen wherever they may sojourn, the Natural History of our birds may be found an interesting and useful study, wherewith to beguile many a listless hour; wherever our pioneers of civilization are engaged in subduing the wilderness, near the grateful shade of the forest, in tending flocks on the hill pastures, or cultivating the level acres of the plains. Nor is it for the merits of that interesting treatise only that we feel thus indebted to its author; its publication has called forth a critical review of it from the pen of Dr. Otto Finsch, of Bremen. The combined result has been of great advantage to the Student of Ornithology, by the removal of certain doubts and difficulties in the nomenclature, and the presentation of a nearly complete list of New Zealand birds, corrected to a recent date. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten...
