Environmental Education
and the
School Curriculum
David Lambert

Environmental Education and the School Curriculum is a viewpoint article by David Lambert. The article discusses the importance of environmental education in schools, emphasizing the need for students to develop a deep understanding of environmental issues and their impact on the world. The author argues that environmental education should be integrated into all aspects of the school curriculum, from science and social studies to arts and physical education. He suggests that environmental education can help students develop critical thinking skills, problem-solving abilities, and a sense of responsibility for the environment. The article concludes by encouraging schools to prioritize environmental education and to work with local communities to create sustainable environments for all.
