I understand her to approve of an ultimately unified sovereignty (power of control and command) in the hands of the consumer. She objects to Mr. Cole's endeavor deliberately to create a plural sovereignty by dividing control and responsibility because she sees the danger of a deadlock. What, it seems to me, she gives too little weight to are Mr. Cole's reasons for wanting to escape from the practical difficulties which are created by the application to actual affairs of the theory of unitary sovereignty. Implications Of Unitary Sovereignty Mr. Cole comes at his problem from two angles which when they converge become significant in their practical suggestion. He wants to render it impossible for the One Supreme...
