# International Strategy for Cyberspace: Prosperity, Security, and Openness in a Networked World

By Executive Office of the President of the United States

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 30 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Cyberspace, and the technologies that enable it, allow people of every nationality, race, faith, and point of view to communicate, cooperate, and prosper like never before. Today, an American company can do business anywhere in the world with an Internet connection, supporting countless jobs and opportunities for the American people. A mother in rural Africa can sell crafts to a family in Latin America, advancing broader economic development. A laboratory in Europe can conduct field-changing research on hardware made in Asia and software written in North America, and students in Australia and the Middle East can learn together through videoconference. And more than ever, citizens across the globe are being empowered with information technologies to help make their governments more open and responsive. Today, as nations and people harness the networks that are all around us, we have a choice. We can either work together to realize their potential for greater prosperity and security, or we can succumb to narrow interests and undue fears that limit progress. Cybersecurity is not an end unto itself; it is instead an obligation that our...
