He answers some objections to details of his argument at p. 248. Connected with this subject may be noted a recently found Inscribed-stone from Slieve-na-Caillighe (p. 427). Early Stone Weapons are ably dealt with in Mr. Knowles Paper on Survivals from the Palaeolithic Age among Irish Neolithic Implements, with which the Volume commences. A recently found Bronze Dagger, of exceptional interest from its retaining the original bone-handle, is shown at p. 423. A Bronze Pot, of unusual form, and very perfect, is figured on p. 437. Mr. Westropp s important survey of the strangely numerous Stone Forts of Northern Clare is completed (p. 116). A number of prehistoric fortified islands in lakes in Connemara are described by Mr. Layard (p. 373) About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
