Every true Christian wants to please God and accomplish what he or she is called to do on this earth. But our walk with God gets extremely difficult at times and we get so discouraged with ourselves and our failures. We try to do what we know is right, but we often do what we don t want to do and fail to do what we really do want to do. We carry shame, guilt and condemnation, while trying not to let others know how much we struggle. But God has a solution - and it really works! It s simple, though not necessarily easy. It not only helps us be successful in our spiritual walk, but it unleashes great power to accomplish awesome exploits for God. It s the key to open the door of God s grace, and it is called humility: God resists the proud but gives grace to the humble. In this book, Ben Peters shares his own humble beginnings in learning to be humble, along with the pitfalls he has encountered along the way. He identifies the subtle ways pride and its accomplices work, then shows you what humility is and how to pursue it. You will learn the greatest shortcut to true humility, plus some practical ways to stay humble about being humble.
