## ELECTRICAL CHRISTIANITY A REVOLUTIONARY GUIDE TO JESUS TEACHINGS AND SPIRITUAL ENLIGHTENMENT

L. Ron Gardner. Paperback. Book Condition: New. Paperback. 172 pages. Dimensions: 8.5in. x 5.4in. x 0.5in. Electrical Christianity is a revolutionary guide to Jesus teachings and spiritual en-Light-enment. It provides clear-cut, in-depth instructions on how to directly plug into the Divine Being, the Holy One, and literally pull down His Power. Grace is not an abstract principle; it is the palpable experience of Gods Spirit Power--and anyone who religiously (or devotedly and intensely) practices the discipline of true Holy Communion presented in this book can experience the descent of Divine Power, the Holy Spirit. The true Eucharist, the practice of Holy Communion (which in its awakened form implies reception of the Holy Spirit), is the very heart of real Christianity, and the foremost method for attaining salvation (spiritual en-Light-enment). Electrical Christianity not only details the radical (or gone-to-the-root) practice of Holy Communion, but also analogizes it to an electrical circuit. The Eucharist is simply Ohms Law applied to spirituality, and once you grasp the Eucharist-Ohms Law connection, which is explicated in this book, youll become like Jesus: a spiritual revolutionary. In addition to explicating the Eucharist-Ohms Law connection, the book also sheds penetrating light on psychology, politics, and sociology. It presents a vision of integral psychology that differs markedly from Ken Wilbers, considers Jesus politics in a modern context, and examines the history and future of Christianity in the New (or Aquarian) Age. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
