Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Speak, Listen and Learn: Teaching Resources for Ages 7-13, Tony Wood, This indispensable resource, for teachers of pupils aged 7-13 years, consists of a series of graduated lesson plans aimed at improving children's speaking and listening skills, their self-confidence and their motivation to learn, ultimately leading to better school performance. The scheme was developed and tested in schools during a four year period with over three thousand children and their teachers, and focuses on class and group activities that are enjoyable as well as instructive. All pupils are able to participate regardless of background, academic standing or facility in English, and the skills acquired are central to the National Curriculum for England and Wales Key Stages 2 and 3. Each lesson worksheet includes learning objectives, guidance on preparation and organisation, an activity guide, and follow-up suggestions, all presented in a clear and simple manner to lead the teacher step by step through the session. The materials are grouped into four levels of difficulty which combine to build a powerful range of abilities associated with persuasive and presentational speech, dialogue and debate, as well as developing the children's command, use, and articulation of English. Each level consists of twelve starter lessons suitable for class-based group work, with sections preparing pupils for a variety of class competitions including public speaking, poetry reading and debating. The activities link naturally with other areas of the curriculum, and topics already being studied can easily be incorporated. In a parallel controlled research project highly significant gains in a nationally standardised test of non-verbal reasoning were made over a seven month period by children who followed the activities for one lesson a week compared to those who did not. These were well in excess of what would...
