Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1896 Excerpt: . . . kirtle. Anne: In any hap, be patient. Thy father is both just and kind, Will. He will not judge amiss. Perchance he considereth of it even now. Will: Perchance. I know not. But he cuffed me soundly for listening, with mouth agape, to Sir Simon Jerkets tales of London, which he was rehearsing before the ale-house tother night. Anne: Sir Simon Is he not a rare one How he doth puff and strut!--like to the cocks in our barnyard. Will: Yea; and dost thou mind how he was telling thy father of the robbers that fell upon him at Gadshill--a week gone Three stout villains, quoth he, bare against me with their four points, thus. Six great knaves in buckram, saith he then; five of them did I slay, and three thereafter did arise and bare me down. Faith, when Sir Simons tale was finished, thy father made compute that the robbers numbered eleven steel-clad men-at-arms, furnished out with halberds and long swords! Anne: Did he not laugh! and declare that Sir Simons tale was even like to his cup of sack--it grew deeper as he drank. But who comes here (A gleeman cometh down the pathway, and spying the lad and maid, maketh a stay, and unstringeth his lute.) The gleeman speaketh: Gentle maid, and you, gallant master, will you hear a song, albeit my lute is somewhat cracked and the strings at times awry Yet can I make most sweet music for fair...
