Tate Publishing Enterprises, United States, 2008. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The good news is that we are in good company; Bible figures had the same problem. Learning how the brain functions and how those that have gone before us have dealt with uncomfortable, challenging, and inspiring situations will help today's everyday reader better make decisions and choose wise words. Building relationships, controlling anger, and understanding how words are interpreted is what human interaction is all about. I Wish I'd Said That deals with some Old Testament Bible figures that used the wrong words and actions and dug themselves a hole and a few that made wise word choices and changed the lives of those around them irrevocably. Author Dr. Jim Rennell puts together a group of encouraging lessons that can help any reader develop better communication skills. Teaching plans and procedures are included.
